Scripps

SCRIPPS WHITTIER DIABETES INSTITUTE, LA JOLLA, CALIFORNIA

SCRIPPS DIABETES

PROFESSIONAL EDUCATION AND TRAINING PROGRAMS 2013

Class Location

Scripps Whittier Diabetes Institute
10140 Campus Point Drive, Suite 200
San Diego, CA 92121

Educational Objectives

After attending this activity, participants should be able to:

- Incorporate American Diabetes Association and American Association of Clinical Endocrinologists "Standards of Diabetes Care" guidelines into the clinical management of the patient with diabetes.
- Address cultural beliefs and myths which can act as a barrier to clinical care and patient self management.
- Educate the patient and family regarding nutrition therapy, lifestyle and behavior change tools, and prevention and treatment of acute and chronic complications.
- Select appropriate pharmacological therapies considering the patient's individualized glycemic goal, physical status, financial and self care capabilities.

Target Audience

- Physicians
- Registered Nurses/ Licensed Vocational Nurses
- Registered Dietitians
- Nurse Practitioners
- Physician Assistants
- Pharmacists
- Health Educators

Accreditation

Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Scripps Health is approved by the California Board of Registered Nursing, Provider Number CEP15030.

Class Descriptions

The Fundamentals of Diabetes Management **8 a.m. to 4:30 p.m. – Wednesday, October 9, 2013**
Learn the latest pathophysiology, clinical practice recommendations, pharmacologic treatments, medical nutrition therapy and tools for behavior change. Identify safe glucose goals for individual patients and learn how to use your own glucose meter. Interactive and filled with patient case studies, this valuable program provides you with an excellent foundation and up-to-date understanding of diabetes. Cost $65

Initiation and Management of Insulin and Incretin Therapy **8 a.m. to 4:30 p.m. – Thursday, October 10, 2013**
Incorporate new assessment tools and guidelines when considering insulin, incretin, or pancreatic hormone therapy. Describe the action, use, and patient education needs of these medications. Using patient case studies, the attendee will calculate and titrate basal and prandial insulin doses as well as incretin and pancreatic hormone therapy for type 1 and type 2 diabetes. Increase your understanding of insulin pumps and continuous glucose sensors and practice with insulin pen devices. Cost $65

Diabetes Management in the Hospital and Long Term Care Facility **8 a.m. to Noon – Friday, October 11, 2013**
Learn the Standards of Care and latest treatment recommendations for patients in the hospital and long term care setting. Examine various patient case studies related to selecting appropriate and individualized patient glucose goals, safe use of oral medications and basal bolus insulin, and ongoing diabetes care. Identify specific causes, risk factors and treatment of hypoglycemia and hyperglycemia in both settings. Cost $40

Five Day Comprehensive Diabetes Education and Management Program **8 a.m. to 4:30 p.m. – September 11, 12, 13, 16, 17, 2013**
In addition to pathophysiology and treatment of type1, type 2, and gestational diabetes, this intensive and highly interactive program explores diabetes care of the complete person including; clinical assessment and foot examination, goal setting and behavior change strategies, and depression screening. Clinical management balanced with psycho-social and cultural beliefs, and patient education tools, makes this 5 day well rounded program perfect for the healthcare provider who seeks to provide excellent diabetes care. Cost $425

Attendance Policies

Registration Confirmation
A confirmation letter will be e-mailed or mailed to you upon receipt of the conference registration form and payment. If you have not received it within two weeks, please contact the Scripps Conference Services & CME office.

Attendee Cancellation, Substitution, Refund
The course tuition is refundable, minus a $25 processing fee, if your cancellation is received in writing no later than one week prior to the course. Attendee substitutions are allowed, but notification must be made in writing no later than one week prior to the course. After this date, under no circumstances will refunds, credits, or substitutions be granted. No refunds or credits will be given to "no shows."

Scripps Conference Modification or Cancellation
Scripps reserves the right to modify the course's schedule or program as necessary. Scripps also reserves the right to cancel this conference, in which case a full refund of the registration fee will be provided. We are unable to refund any travel costs (flight, hotel, etc.) in the case of Scripps cancellation.
