

Scripps Clinic Grand Rounds in Cardiovascular Diseases

Scripps Green Hospital, William Evans Conference Room, Year-Round, first Thursday of every month, 5:30 to 6:30 p.m.

June 3

Acute Decompensated Heart Failure Management: What is the Role of Ultrafiltration

Objectives: To review the physiology of diuretic resistance in acute heart failure; To discuss the pros and cons of ultrafiltration in acute heart failure; To discuss the appropriate timing of ultrafiltration and appropriate use of diuretic therapy.

Speaker: **Mitchell T. Saltzberg, M.D., F.A.C.C., F.A.H.A.**

Medical Director of Heart Failure
Co-Director, Pulmonary Hypertension
Christiana Health System
Newark, Delaware

Grand Rounds

Timken Amphitheater, Scripps Green Hospital, September thru June, Wednesday's noon - 1 p.m.

June 2 - Fellow Research Presentations

Synovium in Knee Osteoarthritis

Speaker: Lina Ching, M.D. (Rheumatology)

A Slide-Based Assay to Detect Circulating Epithelial Tumor Cells

Speaker: Ethan Schram (Hematology/Oncology)

Temporal Progression of the Mean Mitral Valve Gradient

Speaker: David Young, M.D. (Cardiology)

Periprocedural bleeding complications and long term outcome among patients undergoing percutaneous revascularization

Speaker: Nestor Mercado (Cardiology)

June 9 – Fellow Research Presentations

Advanced Lipid testing to estimate residual cardiovascular risk in type 2 diabetes mellitus

Speaker: Amitpal Kohli (Endocrinology)

Circulating Endothelial Cells in Acute Myocardial Infarction

Speaker: Samir Damani (Cardiology)

Gamma Delta T-Cells and Their Role in Skin Homeostasis

Speaker: Summit Shah (Allergy)

Real Time 3-Dimensional TEE For Structural Heart Disease Interventions

Speaker: Marvin Eng (Interventional Cardiology)

June 16 – The Robert M. Nakamura Lectureship

Fluid Phase Biopsy in Solid Tumors

Objectives: To introduce the concept of fluid phase biopsy in solid tumors.

Speaker: **Peter Kuhn, Ph.D.**

Associate Professor, Cell Biology
The Scripps Research Institute
La Jolla, California

June 23 – Gittes Fellow Research Awards

Title: TBA

Winner: Dr. Joy Garg (Vascular Surgery)

Title: TBA

Winner: Dr. Marvin Singh (Gastroenterology)

June 30

Cancelled

The Tony Moore Internal Medicine Conference

Timken Amphitheater, Scripps Green Hospital, September thru June, Thursday's noon - 1 p.m.

June 3

Zebra Case Conference

Speaker: Adnan Begovic, M.D.
Hospitalist, Scripps Green Hospital
La Jolla, California

June 10

Clinical Documentation and it's Impact on Coding

Objectives: To define clinical documentation; To demonstrate clinical documentations impact on coding; To list examples of poor documentation; and to demonstrate clear, concise clinical documentation.

Speaker: **Robert J. Kane, CPC, CCS**
Lead Coder/Clinical Documentation Improvement Specialist
Scripps Green Hospital
La Jolla, California

June 17 - M & M Conference- in conference room 226A & B ** (CME credit is not awarded) **

June 24

Title and Objectives: TBA

Speaker: **John Cronin, M.D.**
Associate Director
Scripps Clinic Sleep Center
La Jolla, California

CME Statements

Accreditation

Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Disclosure

It is the policy of Scripps Health to ensure balance, independence, objectivity, and scientific rigor in all sponsored educational programs. Course Directors, planning committees, faculty and all others who are in a position to control the content of any educational activity sponsored by Scripps Health are required to disclose any real or apparent conflicts of interest related to the subject matter of the educational activity.

Educational Grants

Scripps Clinic Grand Rounds in Cardiovascular Diseases is supported, in part, by educational grants from industry, in accordance with ACCME Standards. Appropriate acknowledgement will be given to all supporters at the time of the educational activity.

Cultural and Linguistic Competency

This activity is in compliance with California Assembly Bill 1195 which requires that all CME activities comprising a patient care element include curriculum addressing the topic of cultural and linguistic competency. The intent of this bill is to ensure that health care professionals are able to meet the cultural and linguistic concerns of a diverse patient population through effective and appropriate professional development. Cultural and linguistic competency was incorporated into the planning of this activity. **For additional information regarding California Assembly Bill 1195 please visit www.scripps.org/clinics to access the Cultural and Linguistic Competency Guide.**
