

# *Share Your Story!*

**Let us know what you are up to...**

At our 25<sup>th</sup> Anniversary Gala, we started a master scrap book with photos and stories from our incredible alumni.

*We want to build upon what we started and would love to hear from you!*

This is an exciting and unique way to stay connected to the McDonald Center and fellow alumni. No last names will be used and information will only be used in public with the author's consent.

Send your photos and stories to  
[mcdonaldcenter@scrippshealth.org](mailto:mcdonaldcenter@scrippshealth.org).
