New Disease Modifying Therapies for MS:
Where Do I Go from Here?

Scripps Memorial Hospital La Jolla

The Schaezel Center, Great Hall
9888 Genesee Ave., La Jolla, CA 92037

Free. Space is limited. Call 1-800-SCRIPPS (727-4777) to register.

Join neurologist **Charles Smith, MD** — in partnership with the National Multiple Sclerosis Society, Pacific South Coast Chapter — for a free series of seminars that will offer valuable information to people who want to better manage their multiple sclerosis symptoms and improve quality of life.

Each presentation will be followed by Q&A with Dr. Smith and a representative from the National Multiple Sclerosis Society. Light refreshments will be provided.

Charles Smith, MD, joined Scripps in 2009 after serving as director of the Multiple Sclerosis Comprehensive Care Centers at White Plains and Bronx Lebanon Hospital Centers in New York. Specializing in both multiple sclerosis and neuro-rehabilitation, Dr. Smith offers his patients comprehensive treatment at two locations — Scripps Clinic Torrey Pines and Scripps Clinic Rancho Bernardo. His scientific articles about MS and other neurological conditions have been published in more than 40 medical journals.
