Support Services

Extended Stay hotels have an agreement with the American Cancer Society to offer deeply discounted rooms to cancer patients traveling more than 40 miles for treatment. Contact the American Cancer at 1-800-ACS-2345 or visit <http://www.extendedstayamerica.com/acs-partnership>

The American Cancer Society also has a hotel guestroom program similar to the Extended Stay agreement. This program involves a network of local hotels that offer discounts to cancer patients. Telephone: 800-ACS-2345 or visit www.cancer.org ("find support and treatment") for details.

Joe's House is a nonprofit organization that coordinates with hotels offering discounts for cancer patients and their families.

Telephone: 877-563-7468

www.joeshouse.org

Bannister Family House is a home-away-from home for patients undergoing long-term care. Patients and their families can stay at the Bannister House for less than most hotels. Contact the Scripps Proton Therapy Center concierges for more information.

Transportation Assistance

National Patient Travel Center is a nonprofit hub that can help find discounted plane tickets.

Telephone: 800-296-1217

www.patienttravel.org

San Diego MTS Access operates wheelchair lift-equipped buses, which provide transportation to transit riders whose disabilities prevent them from using fixed route bus or trolley services. The program is in full compliance with the Americans with Disabilities Act of 1990 (ADA). There is an online application to complete and a wait time of up to 21 days. To schedule a ride, call 1-888-517-9627 or 1-800-921-9664, any day between 8 a.m. and 5 p.m.; or visit www.sdmts.com/MTS/MTS_Access.asp

Corporate Angel Network provides free airplane flights for cancer patients traveling for care.

Telephone: 914-328-1313

www.corpangelnetwork.org/about/index.html

RIDE FACT is a transportation service available to seniors (60+) in San Diego County.

Telephone: 888-924-3228

www.factsd.org

The American Cancer Society offers a transportation program called “Road to Recovery.” This program is designed to transport patients with a cancer diagnosis to cancer-related appointments and treatments.
