

RN New Graduate Opportunities

Scripps, located in San Diego, California, is one of the nation's premier healthcare providers that includes five acute care hospitals, 10 clinic locations, more than 3,000 affiliated physicians, home health care and other support services.

A not-for-profit health care delivery network, our reputation for being at the forefront of medical innovation, clinical research and technology is well deserved. Scripps has been voted "Best Hospital" by readers of the San Diego Union Tribune for six consecutive years. And we've also been awarded "Working Mother 100 Best Companies" (Working Mother Magazine, 2005-2007).

Special Benefits...

- Prepaid Kaplan NCLEX review classes
- Credit for BSN, MSN and professional certifications
- Preceptors and mentors to support your transition
- New graduate peer support groups
- Competency-based orientation
- Free on-line education
- Continuing education funding
- Advanced degree scholarship funding
- Opportunities available in specialty areas—ICU, OR, ED
- Unit-based educators and Advanced Practice Nurses to support practice development
- BSN to MS Nursing Administration program

To qualify, you must be a RN New Grad within the last year and hold a CA RN license, current interim permit, or have a confirmed date for the NCLEX test. Current BCLS certification issued by the American Heart Association is required and healthcare experience is preferred.

RN New Graduate Opportunities

Scripps Green Hospital 10666 N. Torrey Pines Rd. La Jolla, CA 92037

Scripps Green Hospital, located on Torrey Pines Mesa above La Jolla, joined the Scripps system in 1991. The hospital has 173 acute-care licensed beds and a staff of more than 900. Among the specialty services located on the campus are interventional cardiology, blood and bone marrow transplants, solid organ transplants, and clinical research.

Scripps Memorial Hospital Encinitas 354 Santa Fe Drive Encinitas, CA 92024

Scripps Memorial Hospital Encinitas, located along the coast of San Diego's North County, joined the Scripps system in 1978. The hospital has 140 acute-care licensed beds and more than 700 employees. Specialty services and programs based on the campus include the Scripps Rehabilitation Center, Spine Program, Leichtag Family Birth Pavilion, cancer services, outpatient imaging center and kidney dialysis.

Scripps Memorial Hospital La Jolla 9888 Genesee Avenue La Jolla, CA 92037

Established in 1924 by Ellen Browning Scripps, Scripps Memorial Hospital La Jolla is one of the county's six designated trauma centers. Scripps Memorial Hospital La Jolla has 293 licensed beds and more than 2,200 employees. A wide range of specialty services and programs are located on the hospital's campus including the Cardiac Treatment Center, Imaging Center, The Whittier Institute for Diabetes and Scripps Polster Breast Care Center. Scripps Memorial Hospital La Jolla is San Diego's first Magnet Hospital as designated by the American Nurses Association for quality patient care.

Scripps Mercy Hospital 4077 Fifth Avenue San Diego, CA 92103

With two campuses, Scripps Mercy Hospital is the largest hospital in San Diego County and one of the 10 largest in California. Scripps Mercy Hospital is San Diego's longest established and only Catholic medical center with 700 licensed beds, more than 3,000 employees and 1,300 physicians. The facility is also a Level One trauma center and a strong teaching facility.

Scripps Mercy Hospital Chula Vista 435 H Street Chula Vista, CA 91910

Established in 1964, Scripps Mercy Hospital Chula Vista joined the Scripps system in 1986. It became a campus of Scripps Mercy Hospital in October 2004 and, together with the Scripps Mercy facility in Hillcrest, the hospital is growing as needed to care for San Diego's Metro and South Bay communities. Scripps Mercy Hospital Chula Vista recently added more than 40,000 square feet, including a new 24-hour emergency department, intensive care unit, laboratory and lobby. The Chula Vista facility has 183 acute-care licensed beds and more than 700 employees.
