

**DISCLOSURE OF BORROWER'S INTENT
TO BID AT AUCTION OF BONDS ISSUED FOR ITS BENEFIT**

Borrower: Scripps Health (the "Borrower")

Bonds: \$46,395,000 California Health Facilities Financing Authority Insured Revenue Bonds (Scripps Health) Series 2005E (the "Bonds")

CUSIP: 13033FXG0

Date of Auction: June 11, 2008 (the "Auction Date")

Broker-Dealer: Citigroup Global Markets Inc. (the "Broker-Dealer")

Intent to Bid: The Borrower hereby discloses its intent to submit a bid, or direct the Broker-Dealer to submit a bid on its behalf, in the auction on the Auction Date for the Bonds, as described below. The existing auction procedures and further disclosure concerning the auction process may be obtained on the website of the Broker-Dealer (https://www.smithbarney.com/products_services/fixed_income/auction_rate_securities/#v).

Bid Specifics: The Borrower and/or the Broker-Dealer, on behalf of the Borrower, intend to submit a bid for the purchase of \$46,395,000 of the Bonds at an interest rate equal to the SIFMA Municipal Swap Index, which rate is currently 1.48%, but which resets each Wednesday at 4pm EST (the "Designated Rate"). The rate applicable on the Auction Date can be found at <http://archives1.sifma.org/swapdata.html>.

The Borrower and/or the Broker-Dealer, on behalf of the Borrower, intend to bid for all Bonds presently outstanding. It should be noted that the interests of the Borrower in bidding, or directing the Broker-Dealer to bid on its behalf, on the Auction Date for the Bonds are different from and, in fact, may be contrary to the interests of an investor because the Borrower is seeking to establish the lowest interest rate on the Bonds while an investor generally seeks the highest interest rate on the Bonds.

Auction Rate: If on the Auction Date there are no bids to purchase Bonds at an interest rate that is lower than the Designated Rate, then (1) the Borrower will become the owner of any Bonds for which a sale order has been submitted in such auction, and (2) the Auction Rate will be reset to a rate equal to the Designated Rate and all of the Bonds (whether or not owned by the Borrower and whether or not offered by their respective owners for sale in such auction) subject to such auction will bear interest at that rate.
