Target Audience
This conference is designed for physicians, nurse practitioners, physician assistants, nurses and other healthcare professionals who care for the patient with or at risk for Alzheimer’s disease and related dementias.

Accreditation

Physicians
Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.
Scripps Health designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses
For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit(s)™ issued by organizations accredited by the ACCME. For the purpose of relicensure, the California Board of Registered Nursing accepts AMA PRA Category 1 Credit(s)™. The majority of state boards accept AMA PRA Category 1 Credit(s)™ as meeting continuing education requirements for license renewal. Nurses should check with their state’s Board of Registered Nursing regarding use of CME credit.

Course Overview
The Scripps Health Alzheimer’s Care Conference is being offered to healthcare professionals who care for the patient with or at risk for Alzheimer’s disease and related dementias, in order to support them with the best in advanced tools for screening, evaluating, diagnosing and treating. The care conference addresses statistical national and local trends in Alzheimer’s disease and related dementias, focusing on prevalence, mortality, cost and burden to healthcare providers and caregivers. The latest in innovative standardized screening methods and evaluation protocols will be highlighted, to equip healthcare providers with the resources needed for frontline management of patients with Alzheimer’s disease and related dementias. Alzheimer’s and related dementia expertise at Scripps is evident in the quality of interdisciplinary health care professionals presenting information to enhance patient care across the continuum. Content will include a comprehensive overview of Alzheimer’s disease and related dementias and the most up-to-date screening, evaluation and treatment options.
