# Course Introduction

## Conference Overview

The Scripps Cardiomyopathy and Cardio-Oncology Symposium is designed to provide a state-of-the-art, comprehensive curriculum that addresses important clinical topics relevant to cardiomyopathy and the cardiovascular health of cancer patients and survivors. Cardio-oncology is an important and emerging field of medicine resulting from new or unexpected cardiovascular toxicities many cancer survivors are now experiencing because of their cancer treatments. In addition, cardiac amyloidosis is a burgeoning disease with exciting new treatments. Nationally recognized faculty in the fields of cardiology and oncology will discuss challenging topics related to common cardiomyopathies as well as current best practices for diagnosing, treating and managing patients. The goal of the conference is for participants to return to their practice equipped with the latest evidence base and practical information to improve patient care.

## Educational Objectives

**After attending this live activity, participants should be able to:**

- Evaluate current and emerging treatment options for cardiac amyloidosis.
- Discuss diagnosis and treatment considerations for patients with cardiac sarcoidosis.
- Assess the importance of genetic testing and treatment for genetic cardiomyopathies including hypertrophic cardiomyopathy.
- Analyze best practices in the multidisciplinary monitoring and management of cardiac toxicity in patients undergoing cancer therapy.
- Employ management strategies for venous thromboembolism and other cardiovascular complications that may occur in patients with cancer.
- Demonstrate the importance of ongoing cardiac disease monitoring in cancer survivors.

## Target Audience

- Cardiologists
- Oncologists
- Internists
- RN, NP, PA
- Sonographers

## Accreditation & Disclosure

### Physicians

Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Scripps Health designates this live activity for a maximum of 7 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### ABIM MOC Points

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 7 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### Nurses and Nurse Practitioners

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit(s)*<sup>™</sup> issued by organizations accredited by the ACCME.

The American Academy of Nurse Practitioners Certified Program (AANPCP) and the American Association of Nurse Practitioners (AANP) accept *AMA PRA Category 1 Credit(s)*<sup>™</sup> from organizations accredited by the ACCME.

### Physician Assistants

PAs may claim a maximum of 7 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit(s)*<sup>™</sup> from organizations accredited by the ACCME.

### Pharmacists

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for *AMA PRA Category 1 Credit(s)*<sup>™</sup>.

### Commercial Support

This course is supported, in part, by educational grants from industry. In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, a complete list of commercial support received will be provided to all learners who participate in the continuing education activity. For more information: [www.accme.org/standards](http://www.accme.org/standards).
