# Course Introduction

## Course Overview

The Scripps Clinical Hematology and Oncology conference is designed for hematologists, oncologists, surgeons, radiation oncologists, internists, and others desiring an update in these specialty areas. The primary objective of this course is to bring together clinicians and leading experts in diverse areas of hematology and oncology, affording them an intimate environment in which to discuss new clinical developments and significant advances. Our annual program is a nationally accredited continuing medical education conference and is one of the largest annual hematology/oncology meeting held in the West, among others such as ASH, ASCO and the San Antonio Breast Meeting. This conference is one of the few that combines topics in both hematology and oncology.

## Educational Objectives

**After attending this live activity, participants should be able to:**

- Describe the clinical and molecular facets of pathogenesis, diagnostic approaches, and therapeutic modalities available for various hematologic disorders.
- Select and apply the changing approaches to hematologic malignancies, particularly as they relate to evidence-based standards of care, including innovations in diagnosis and treatment.
- Choose new therapeutic options for the treatment of several common malignancies, understanding appropriate indications and contraindications to these therapeutic approaches.
- Integrate evolving approaches to solid tumors and breast cancer from both a diagnostic, prognostic, and therapeutic perspective.
- Apply practical expertise gained from the clinical situations discussed in the panel sessions with an emphasis on data-based approaches to patients with common, but serious hematology oncology conditions.

## Target Audience

- Hematologists/Oncologists
- Medical Oncologists
- Surgeons
- Radiation Oncologists
- Internists
- And others desiring an update in these specialty areas

### Course Director

Michael P. Kosty, MD, FACP, FASCO  
Director, Hematology & Oncology Fellowship  
Director, Thoracic Oncology  
Scripps Cancer Center  
La Jolla, California

## Accreditation and Disclosure

### Physicians

Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Scripps Health designates this live activity for a maximum of 20 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### ABIM MOC Points

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 20 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

### Nurses and Nurse Practitioners

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit(s)*<sup>™</sup> issued by organizations accredited by the ACCME.

For the purpose of re-licensure, the California Board of Registered Nursing accepts *AMA PRA Category 1 Credit(s)*<sup>™</sup> for attendance at structured learning activities offered by organizations accredited by the ACCME.

The American Academy of Nurse Practitioners Certified Program (AANPCP) and the American Association of Nurse Practitioners (AANP) accept *AMA PRA Category 1 Credit(s)*<sup>™</sup> from organizations accredited by the ACCME.

### Physician Assistants

PAs may claim a maximum of 20 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit(s)*<sup>™</sup> from organizations accredited by the ACCME.

### Pharmacists

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for *AMA PRA Category 1 Credit(s)*<sup>™</sup>.

### Commercial Support

This course is supported, in part, by educational grants from industry. In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, a complete list of commercial support received will be provided to all learners who participate in the continuing education activity. For more information: [www.accme.org/standards](http://www.accme.org/standards).
