Accreditation:
Physicians (MD, DO)
Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Scripps Health designates this live activity for a maximum of 25.25 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

MOC
Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 25.25 MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Pharmacists
Approved by the California State Board of Pharmacy for pharmacist CE.

Course Overview:
Scripps' 38th Annual Conference Clinical Hematology and Oncology Conference, is designed for hematologists, oncologists, surgeons, radiation oncologists, internists, and others desiring an update in these specialty areas. The primary objective of this course is to bring together clinicians and leading experts in diverse areas of hematology and oncology, affording them an intimate environment in which to discuss new clinical developments and significant advances.

The first day of the program will focus on nonmalignant hematology which will be followed by an update on hematologic malignancies on the second day. New developments in oncology with a focus on issues of current interest will be discussed on the third day, while the final day will review breast cancer innovations. All presenters will discuss their approaches to challenging but common clinical situations and there will be ample time for participant interaction.
