Target Audience

- Gastroenterologists
- Nurse practitioners
- Physician assistants
- Nurses
- Residents/Fellows
- Internists
- Colorectal surgeons
- Allied health professionals involved in the care of patients with Inflammatory Bowel Disease (IBD)

Course Overview

The New Advances in Inflammatory Bowel Disease (IBD) conference will highlight the latest concepts in the diagnosis and treatment of IBD. The course will be taught by nationally known experts who are actively involved in clinical settings related to the management of Crohn's and colitis. The nursing track is designed to address disease complications, special population considerations, and surgical options as they apply to the continuum of care and the responsibility of the care team. Health care providers will be presented with the necessary context to integrate the relevant information into their daily practices to improve the quality of care for their afflicted patients.

Accreditation

Physicians

Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Scripps Health designates this live activity for a maximum of 10.25 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
