COURSE INTRODUCTION

Conference Overview

Despite notable advances in management, atherosclerotic cardiovascular disease (ASCVD) and its major clinical manifestations remains a leading cause of both morbidity and mortality worldwide. In the United States alone, ASCVD is the leading cause of death in most racial and ethnic populations and is estimated to cost more than \$200 billion per year due to medications, healthcare service utilization, and productivity losses. Many of these human and economic costs are largely attributable to poor implementation of prevention strategies in adults and failure to control ASCVD risk factors using available medications and lifestyle interventions. The Scripps Cardiovascular Atherosclerosis conference is designed to assist clinicians in the prevention, diagnosis, treatment, and ongoing management of ASCVD among patients in their clinical practices as well as to promote increased awareness of prudent lifestyle and dietary choices to improve patient outcomes.

Educational Objectives

After attending this live activity, participants should be able to:

- Assess the latest guideline-directed medical therapy and emerging strategies for the management of cardiovascular disease.
- Describe current evidence-based treatment approaches for the management of risk factors for atherosclerotic cardiovascular disease.
- Explain how dietary approaches, lifestyle interventions, supplements, and integrative medicine modalities can help to prevent cardiovascular disease and promote healthy aging.
- Describe special care considerations and strategies to mitigate risks in the peri-operative management of high-risk patients with cardiovascular disease.
- Discuss current and emerging techniques and technologies including artificial intelligence for cardiovascular disease risk assessment, prediction, and prevention.

Target Audience

- Cardiologists
- Endocrinologists
- Internists
- General Practitioners
- Nurses, Nurse Practitioners, Physician Assistants

Accreditation, Maintenance of Certification and Disclosure

Physicians

Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Scripps Health designates this live activity for a maximum of 7.5 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses and Nurse Practitioners

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit(s)*[™] issued by organizations accredited by the ACCME.

The American Academy of Nurse Practitioners Certified Program (AANPCP) and the American Association of Nurse Practitioners (AANP) accept *AMA PRA Category 1 Credit(s)*[™] from organizations accredited by the ACCME.

Physician Assistants

PAs may claim a maximum of 7.5 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit(s)*[™] from organizations accredited by the ACCME.

Pharmacists

The California Board of Pharmacy accepts as continuing professional education those courses that meet the standard of relevance to pharmacy practice and have been approved for *AMA PRA Category 1 Credit(s)*[™].

American Board of Internal Medicine (ABIM)

Successful completion of this CME activity, **which includes participation in the evaluation component**, enables the participant to earn up to 7.5 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

American Board of Pathology (ABPATH)

Successful completion of this CME activity enables the learner to earn 7.5 Lifelong Learning (CME) credit toward the CME requirement(s) of the American Board of Pathology's Continuing Certification program. It is the CME activity provider's responsibility to submit learner completion information to ACCME for the purpose of granting ABP credit.

Commercial Support

This course is supported, in part, by educational grants from industry. In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, a complete list of commercial support received will be provided to all learners who participate in the continuing education activity.
