Course Overview

Advances in the treatment and management of heart failure and structural heart disease continue to emerge, compelling the practice of cardiology to constantly evolve. These advances must be implemented into clinical practice to guarantee the best care for patients affected by various cardiovascular conditions. Expert faculty will cover a wide range of topics including the management and state-of-the-art treatment for heart failure and cardiac arrhythmias as well as the latest transcatheter structural heart disease interventional procedures. Participants will return to their practice equipped with the latest evidence base and practical information to improve patient outcomes.

Educational Objectives

After attending this live activity, participants should be able to:

• Incorporate recent guidelines for the assessment and management of patients with heart failure into practice.
• Evaluate numerous device-based therapies for managing heart rhythm disorders.
• Outline best practices for stroke risk management in patients with atrial fibrillation.
• Integrate new medical, percutaneous, device-based, and surgical therapies for the treatment of heart failure.
• Identify complications of catheter-based therapies for structural heart disease and safely manage them with various procedural techniques.
• Select the appropriate type and size device for LAA closure, PFO closure, and other structural interventions.
• Incorporate techniques for transcatheter mitral valve repair, PFO, and LAA closure.

Accreditation & Disclosure

Physicians

Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Scripps Health designates this educational activity for a maximum of 4.5 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Commercial Support

This course is supported, in part, by educational grants from industry, in accordance with ACCME accreditation Standards for Commercial Support. Appropriate Acknowledgement will be given to all supporters at the time of the educational activity.

A complete listing of disclosures associated with this program can be found in the mobile conference app: www.grupio.com/OCHF18.

Faculty Disclosure

In accordance with the ACCME Standards for Commercial Support, course directors, planning committees, faculty and all others in control of the educational content of the CME activity must disclose all relevant financial relationships with any commercial entity that they or their spouse/partner may have had within the past 12 months. If an individual refuses to disclose relevant financial relationships, they will be disqualified from being a part of the planning and implementation of this CME activity. Owners and/or employees of a commercial interest with business lines or products related to the content of the CME activity will not be permitted to participate in the planning or execution of any accredited activity.

Target Audience

• Cardiologists
• Interventional Cardiologists
• Electrophysiologists
• Nurses, Nurse Practitioners
• Physician Assistants

Advances in Heart Failure, Arrhythmias and Structural Heart Disease:
A Case Based Update

October 20, 2018 • The Westin South Coast Plaza • Costa Mesa, California
Registration Fee
$50

Attendee Policies
This course will be complimentary for participants. Please note: A $50 deposit is required to register for this course and the deposit will be refunded upon attendance at the conference. No-shows will not be refunded.

Guest Attendance Policy
All conference activities, including, meal functions, are exclusively reserved for paid conference attendees. Children and family members are not allowed in the conference areas. Badges provided at registration are required for entrance into all functions and will be strictly enforced.
