

Fifth Annual Clinical Advances in the Diagnosis and Management of Pulmonary Hypertension: A Case Based Conference

February 27, 2021 – Live Streaming Virtual Event

VISIT WWW.SCRIPPS.ORG/PHCME FOR CONFERENCE UPDATES!

Course Overview

Pulmonary hypertension (PH) is a common and widely misunderstood syndrome that results from a surprisingly large number of disease processes. It can occur at any age and the risk of developing PH increases with age and other medical conditions. Great strides have been made in the past 15 years in diagnosing and treating pulmonary arterial hypertension (PAH) so that the natural history of PAH is rapidly changing. On the other hand, the more common clinical variant, pulmonary venous hypertension (PVH) has been largely unaffected by medical therapy. In addition, there is often a divide between those who treat PAH and those clinicians whose patients have PVH and are frustrated by the lack of effective therapy.

This conference will be unique in that it will cover all forms of pulmonary hypertension. Expert faculty will discuss the epidemiology of PH, how PH is diagnosed, and the poor outcomes associated with PH when left untreated. Clinicians will leave with a better understanding of the difference between PAH and PVH and why the difference matters. Therapies for PAH and PVH will also be discussed with reference to current clinical guidelines. Participants will return to their practice equipped with the latest evidence base and practical information to improve patient outcomes.

Educational Objectives

After attending this live internet activity, participants should be able to:

- Describe the epidemiology and pathophysiology of pulmonary hypertension.
- Determine who is at risk for pulmonary hypertension and effectively diagnose patients.
- Recognize the difference between PAH and PVH and how this translates into therapy.
- Outline the current approach to pulmonary hypertension treatment in the presence of related or underlying diseases.
- Evaluate current pharmacologic and medical management strategies for patients with pulmonary hypertension.
- Incorporate novel therapies into patient care for improved outcomes.
- Identify when to refer patients for specialty treatment.

Target Audience

- Cardiologists
- Pulmonologists
- Internists
- Nurses, Nurse Practitioners, Physician Assistants

Accreditation & Disclosure

Physicians

Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Scripps Health designates this live activity for a maximum of 4 *AMA PRA Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

ABIM MOC Points

Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 4 Medical Knowledge MOC points in the American Board of Internal Medicine's (ABIM) Maintenance of Certification (MOC) program. It is the CME activity provider's responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit.

Nurses

For the purpose of recertification, the American Nurses Credentialing Center accepts *AMA PRA Category 1 Credit(s)*[™] issued by organizations accredited by the ACCME.

For the purpose of re-licensure, the California Board of Registered Nursing accepts *AMA PRA Category 1 Credit(s)*[™] for attendance at structured learning activities offered by organizations accredited by the ACCME.

The American Academy of Nurse Practitioners Certified Program (AANPCP) and the American Association of Nurse Practitioners (AANP) accept *AMA PRA Category 1 Credit*[™] from organizations accredited by the ACCME.

Physician Assistants

PAs may claim a maximum of 4 Category 1 credits for completing this activity. NCCPA accepts *AMA PRA Category 1 Credit*[™] from organizations accredited by ACCME or a recognized state medical society.

Commercial Support

This course is supported, in part, by educational grants from industry, in accordance with ACCME accreditation Standards for Commercial Support. Appropriate acknowledgement will be given to all supporters at the time of the educational activity.

Fifth Annual Clinical Advances in the Diagnosis and Management of Pulmonary Hypertension: A Case Based Conference

Saturday, February 27, 2021

Please note: All times listed are Pacific Standard Time (PST)

Faculty

Course Director

J. Thomas Heywood, MD, FACC
Director
Advanced Heart Failure and
Mechanical Circulatory Support Program
Scripps Clinic
La Jolla, California

Conference Faculty

Laith Alshawabkeh, MD, FACC
Assistant Clinical Professor of Medicine
Director
Adult Congenital Heart Disease Program
UC San Diego Sulpizio Cardiovascular Center
La Jolla, California

Kelly Fan, MD
Pulmonary and Critical Care Attending
Scripps Clinic
La Jolla, California

Richard M. Keating, MD, FACR, FACP
Associate Program Director
Rheumatology Fellowship
Scripps Clinic
La Jolla, California

Rajeev C. Mohan, MD
Advanced Heart Failure and
Mechanical Circulatory Support Cardiologist
Scripps Clinic
La Jolla, California

Demosthenes Papamatheakis, MD
Pulmonologist
Assistant Professor of Medicine
University of California, San Diego
La Jolla, California

Ajay V. Srivastava, MD, FACC
Director
Acute Mechanical Circulatory Support Program
Scripps Clinic
La Jolla, California

Faculty Disclosure

In accordance with the ACCME Standards for Commercial Support, course directors, planning committees, faculty and all others in control of the educational content of the CME activity must disclose all relevant financial relationships with any commercial interest that they or their spouse/partner may have had within the past 12 months. If an individual refuses to disclose relevant financial relationships, they will be disqualified from being a part of the planning and implementation of this CME activity. Owners and/or employees of a commercial interest with business lines or products relating to the content of the CME activity will not be permitted to participate in the planning or execution of any accredited activity.

A complete listing of disclosures associated with this program can be found on the conference website: www.scripps.org/phcme.

REGISTER ONLINE – www.scripps.org/phcme

Virtual Conference Details

All registered participants will receive an email with a link to confirm participation in the virtual conference prior to the activity.

Conference Fees & Registration

Space is limited, so register early!

Included: Course tuition, live stream, course materials, virtual exhibit access, mobile conference app, and course recordings

	Thru Jan 21	Jan 22- Feb 18	After Feb 18
Physicians (MD, DO, MBBS)	\$75	\$100	\$125
RN, NP, PA, Tech, Other	\$50	\$75	\$100
Fellows, Residents, Students	\$25	\$50	\$75
Scripps Rate	\$25	\$25	\$50

Attendance Policies

Attendee Cancellation, Substitution, Refund

The course tuition is refundable, minus a \$25 processing fee, if your cancellation is received in writing no later than **Friday, February 19, 2021**. Attendee substitutions will not be permitted. After **February 19, 2021**, under no circumstances will refunds, credits, or substitutions be granted. Failure to log-in to the live virtual broadcast will result in complete forfeiture of conference registration fees. Virtual conference participation is limited to the paid registrant only. Log-in information is unique and cannot be shared.

Scripps Conference Modification or Cancellation

Scripps reserves the right to modify the course's schedule or program as necessary. Scripps also reserves the right to cancel this conference, in which case a full refund of the registration fee will be provided.
