

The 2024 San Diego

DAY OF TRAUMA

“South of the Border:”
The Reality of San Diego Trauma Care

NOVEMBER 1, 2024

Coronado Island Marriott • Coronado, California

Visit www.scripps.org/dayoftraumacme for conference updates!

The San Diego Day of Trauma is a nationally accredited continuing medical education conference designed for physicians, nurses, physician assistants and first responders in the fields of trauma, emergency, and critical care medicine. Nationally renowned speakers will present state of the art management of life threatening emergencies commonly encountered in the field. Conference speakers will include specialists in the fields of pre-hospital care, trauma surgery, and critical care. Lectures, real-life case presentations, and interactive sessions will engage attendees and promote improved patient outcomes.

Educational Objectives

After attending this live activity, participants should be able to:

- Implement practice changes to increase patient safety and mitigate threats to effective care.
- Summarize the most impactful trauma papers from the last five years and their impact on patient care.
- Discuss the future of trauma care as it pertains to AI and continued expansion of technology.
- Outline lessons learned from the military's trauma experience and what trauma centers have taught the military.

- Assess organizational flexibility to adopt new information and techniques to improve outcomes and implement changes as needed.
- Incorporate interventions that result in improved patient survival after severe injury.

Target Audience

- Trauma Specialists
- First Responders
- Critical Care Specialists
- Emergency Medicine Specialists
- Pre-hospital Personnel
