

Faculty Disclosures

In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, course directors, planners, moderators, faculty, and all others in control of the educational content of the continuing education activity must disclose all financial relationships with ineligible companies that they may have had within the past 24 months. If an individual refuses to disclose financial relationships, they will be disqualified from being a part of the planning and implementation of the activity. Owners and/or employees of an ineligible company with business lines or products relating to the content of the activity will not be permitted to participate in the planning or execution of any accredited program. All listed relevant financial relationships with ineligible companies for individuals in control of content have been mitigated.

Glossary of Terms

Ineligible Company

An ineligible company is any entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. For specific examples of ineligible companies visit www.accme.org/standards.

Financial Relationships

Financial relationships include employee, researcher, consultant, advisor, speaker, independent contractor, research funding, royalties or patent beneficiary, executive role, and ownership interest. Individual stocks and stock options should be disclosed.
