6:00 p.m. | Melanoma: Medical Legal Complications  
7:00 p.m. | Metastatic Evaluation of the Melanoma Patient  
7:25 p.m. | Treatment of Advanced Melanoma

**Course Overview**  
As the incidence of melanoma continues to rise rapidly in the United States and around the world, the need to educate clinicians from various specialties on the disease also increases. During this course, nationally recognized experts will present information on prevention, risk assessment, early detection, genetic factors, and current and future treatment choices for melanoma patients. Issues concerning surgical management, adjuvant therapy, advanced disease therapy, and personalizing the course of treatment for individual patients will also be discussed. This course is designed to provide information that will help clinicians in their decision making regarding these difficult patient problems. The course will be taught by a wide range of experts as this most serious of skin cancers will require multidisciplinary efforts to conquer.

**Educational Objectives**  
After attending this live internet activity, participants should be able to:  
- Demonstrate how newly discovered, evidence-based scientific information applies to the current practice of clinical dermatology.  
- Describe the epidemiology and risk factors associated with the increasing incidence of cutaneous melanoma.  
- Examine current data and new strategies for the prevention of melanoma.  
- Relate case studies to other healthcare professionals to improve patient care.

**Target Audience**  
- Dermatologists  
- Pathologists  
- Dermatopathologists  
- Primary Care Physicians
Virtual Conference Details
All registered participants will receive an email with a link to confirm participation in the virtual conference prior to the activity.

Conference Fees & Registration
Space is limited, so register early!

Included: Course tuition, live stream, course materials, virtual exhibit access, mobile conference app, and course recordings

REGISTER ON LINE: www.scripps.org/melanomacme

Accreditation and Disclosure

Physicians
Scripps Health is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Scripps Health designates this live internet activity for a maximum of 11 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Nurses
For the purpose of recertification, the American Nurses Credentialing Center accepts AMA PRA Category 1 Credit(s)™ issued by organizations accredited by the ACCME.

For the purpose of re-licensure, the California Board of Registered Nursing accepts AMA PRA Category 1 Credit(s)™. The majority of state boards accept AMA PRA Category 1 Credit(s)™ as meeting continuing education requirements for license renewal. Nurses should check with their state’s Board of Registered Nursing regarding use of CME credit.

Physician Assistants
PAs may claim a maximum of 11 Category 1 credits for completing this activity.

NCCPA accepts AMA PRA Category 1 Credit™ from organizations accredited by ACCME or a recognized state medical society.

Commercial Support
This course is supported, in part, by educational grants from industry, in accordance with ACCME Accreditation Standards for Commercial Support. Appropriate acknowledgement will be given to all supporters at the time of the educational activity should any grant money be received.

Course Directors
Hugh T. Greenway, Jr., MD, FAAD
Director, Cutaneous Oncology Program
Bighorn Mohs Surgery and Dermatology Center
Scripps MD Anderson Cancer Center
Scripps Clinic, La Jolla, California

Terry L. Barrett, MD
Clinical Professor of Dermatology and Pathology
UT Southwestern Medical School, Dallas, Texas

Co-course Director
Benjamin F. Kelley, MD
Mohs Micrographic Surgeon
Bighorn Mohs Surgery and Dermatology Center
Scripps Clinic, La Jolla, California

Faculty Disclosure
In accordance with the ACCME Standards for Commercial Support, course directors, planning committees, faculty and all others in control of the educational content of the CME activity must disclose all relevant financial relationships with any commercial interest that they or their spouse/partner may have had within the past 12 months. If an individual refuses to disclose relevant financial relationships, they will be disqualified from being a part of the planning and implementation of this CME activity. Owners and/or employees of a commercial interest with business lines or products relating to the content of the CME activity will not be permitted to participate in the planning or execution of any accredited activity.

A complete listing of disclosures associated with this program can be found on the conference website: www.scripps.org/melanomacme.

Attendance Policies
Attendee Cancellation, Substitution, Refund
The course tuition is refundable, minus a $100 processing fee, if your cancellation is received in writing no later than Wednesday, January 20, 2021. Attendee substitutions will not be permitted. After January 20, 2021, under no circumstances will refunds, credits, or substitutions be granted. Failure to log-in to the live virtual broadcast will result in complete forfeiture of conference registration fees. Virtual conference participation is limited to the paid registrant only. Log-in information is unique and cannot be shared.

Scripps Conference Modification or Cancellation
Scripps reserves the right to modify the course’s schedule or program as necessary. Scripps also reserves the right to cancel this conference, in which case a full refund of the registration fee will be provided.
Saturday, January 23, 2021

7:15 a.m. Virtual Event Opens & Colleague Networking
8 a.m. Melanoma: Art and Science, Yesterday and Today
James W. Patterson, MD - University of Virginia School of Medicine
