

# Happy Holidays!

**Thank you for your gift of critical funds that help Scripps Encinitas and Scripps Health provide the best care for family and friends during the holiday season and throughout the year. With your help, here's what Scripps Encinitas accomplished in 2018:**

- ❄ Raised over \$1.5 million in unrestricted funds to benefit the hospital's greatest needs
- ❄ Launched a da Vinci Xi robotic program for minimally invasive procedures and more complex cases in order to send patients home within a couple days!
- ❄ Purchased the LUCAS chest compression system for mechanical CPR to free up clinicians to care for other patient needs
- ❄ Scripps Encinitas had over 50,000 ER visits and over 5,600 surgeries

*We're looking forward to another successful and impactful year in 2019!*

## A non-traditional Thanksgiving with the Scripps Medical Response Team

**From the Camp Fire evacuation center in Chico**, where Scripps deployed its medical response team, Steve Miller, Sr. Director of Clinical Services at Scripps Encinitas, said, *"One of the needs of these shelter residents is to get their medications that were lost in the fire. We have been...collaborating with the local pharmacies to replace the medications...This work is so important for those in need, and we are blessed to be part of an organization that supports these missions."*

## 11th Annual Champagne Toast and Celebration was a hit!

### Thank you to all who joined us!

A night full of celebration, the Champagne Toast paid gratitude to volunteerism and philanthropic support of Scripps Encinitas joining together physicians, leadership and many of you!

## Topping Out the new Medical Office Building!

**The final beam of steel** is up on the three-story, 68,000 square foot outpatient services building that will house additional outpatient services, physician offices and a multi-disciplinary clinic of Scripps MD Anderson Cancer Center.

We appreciate your generosity this time of year! If you have any giving questions, please contact Monica Feakes, Manager of Special Gifts, at (760) 633-6632 or [feakes.monica@scrippshealth.org](mailto:feakes.monica@scrippshealth.org).

## SCRIPPS HEALTH FOUNDATION

*Through philanthropy we help to heal, enhance and save lives.*
