Sixth Annual Cancer Care Symposium:  
A Nursing & Advanced Practice Provider Collaboration  

September 28–29, 2018  
Hilton San Diego Resort  •  San Diego, California

Course Overview
The Scripps Cancer Care Symposium is designed for nurses, nurse practitioners, physician assistants, clinical nurse specialists, and other health care professionals dedicated to the field of hematology/oncology who practice in settings across the continuum of care. During this two day conference, attendees will benefit from an intimate learning environment in which renowned faculty will present the latest in evidence-based oncology care. Participants will return to practice armed with practical strategies and tools to assist in improving quality of life and outcomes for their cancer patients as well as patients’ family members. Don’t miss this opportunity to interact and network with like-minded colleagues while earning CE credits!

Conference Highlights
• Comprehensive presentations of the latest advances in cancer diagnosis and treatment with a strong patient care focus
• Small group workshops allowing for additional interaction with expert faculty on pertinent topics
• Mobile conference app with access to course materials and recordings from the convenience of your mobile device or computer

Target Audience
• Nurse Practitioners and Physician Assistants
• Oncology Nurses
• Clinical Nurse Specialists
• Experienced Hematology & Oncology Health Care Professionals
