27TH ANNUAL

## Cardiovascular Interventions

November 8 - 11, 2016 — Hilton Torrey Pines, La Jolla, California

### COURSE OVERVIEW

Scripps Health's Cardiovascular Interventions is designed to provide the practicing physician with a concentrated exposure to new developments in interventional cardiology that will positively influence patient outcomes. Through a program of lectures from world experts, live demonstration procedures, and participant-faculty interactions, attendees will learn the latest advances in interventional cardiology. After completing this program, participants will return to their practice environment armed with the latest evidence base and practical information to improve patient outcomes.
