**Cultural & Linguist Competency:** It is the endeavor of the CME Committee of Scripps Memorial Hospital to provide activities that are in compliance with California Assembly Bill 1195. This means activities that comprise a patient care element include curriculum addressing the topic of cultural and linguistic competency. The intent of this bill is to ensure that health care professionals are able to meet the cultural and linguistic concerns of a diverse patient population through effective and appropriate professional development. Inclusion of cultural and linguistic competencies are incorporated into the planning of all activities in programs approved for presentation through Scripps Memorial Hospital La Jolla's CME Program.

**Accreditation:** Scripps Memorial Hospital LJ is accredited by the Institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. Scripps Memorial Hospital LJ takes responsibility for the content, quality and scientific integrity of the CME activity. Scripps Memorial Hospital LJ designates the educational activities listed here for a maximum of one (1) AMA PRA Category 1 Credit™. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA Certification in Continuing Medical Education. Non-physician attendees are eligible for a certificate of attendance only.
