

2020 Updates in Diabetes Management

Friday, November 13, 2020

LIVE STREAMING VIRTUAL EVENT

Course Overview

Scripps Whittier Diabetes Institute's 2020 Updates in Diabetes Management program will provide the most recent medication, nutrition and technology recommendations for managing patients with type 1 and type 2 diabetes.

Education Objectives

After attending this live internet activity, participants should be able to:

- Describe the latest treatment strategies for treating Type 1 and 2 diabetes.
- Recognize how to integrate new practice recommendations for the treatment of patients with diabetes from a PCP and specialist perspective.
- Practice case-based management strategies with experts using the latest medications and interventions.
